What part of Miami

What part of Miami

This is on Palm Beach Island.

Near the Breakers.

Just an hour north of Miami Beach.

Wow beautiful

It's amazing. Old money. Kennedy estate. Mar a Lago around the corner. Worth Ave just a few blocks away. ... I like to drive over to the island and ride bike as much as possible. Apparently, rich people don't know there's a pandemic.

Where are u staying

In a rented townhome in Palm Beach. Month to month.

Have ton of friends there

Time to visit.
